

Trap Check Data Sheet

Equipment checklist:

- Bag of sweet potato & peanut butter
- 4 in 1 weather tool
- Compass
- Camera or cell phone with camera
- This data sheet (use paper & pencil)

Date:

Time Arrive:

Time Leave:

- Borrow equipment and data sheets from and return to Cara Lin's office.
- Label body bags: Date, Site, Trap ID. Put by my office. Tell team leader!
- Use LINE to send photos to team leader.
- All traps must be checked before 9 am. If you have problems, LINE your team leader. Your team leader will arrange to bring me to you at the study site. You will have to wait a minimum of 20 minutes. Make sure you arrange your time so you don't miss class. I will not write excuse notes for you.
